Dear Caya,

KDHX 88.1 FM would like to thank Urban Eats Café & Bakery for your generous donation of food for the KDHX Fall Membership Drive. The volunteers were delighted to receive food twice from Urban Eats Café & Bakery. By donating food you are helping to keep our folks happy while they are volunteering. Plus, introducing our volunteers to your fare helps encourage them to check out your restaurant. Our volunteers love to patronize restaurants that help KDHX.

KDHX has a mission to build community through media, with diverse and independent voices that enrich the perspectives of our audiences. We promote civic and cultural participation by providing the tools, technology, and training vital to inform, creative expression. KDHX could not continue to offer these resources to the public without our volunteers.

Thank you for being a part of the success of the KDHX Fall Membership Drive. We understand that you receive many donation requests and we are very grateful that you have chosen to support KDHX.

Sincerely,

*Korinne Fischer*
